Respected Mr. Vice President:

Your letters dated June 1 and June 25 respectively as well as the pictures that record our meeting have been duly received, and I wish to thank you for your kindness.

Sharing the same feeling with you, I also expect that the frank talks between our two sides will produce a positive effect on the development of Sino-U.S. relations.

It is my hope that our bilateral relations would be strengthened and developed on the basis of the principles jointly confirmed by our two sides in both the Shanghai communique and the communique on the establishment of diplomatic relations between China and the U.S.

With best wishes.
